

Low-Dose Aspirin (LDA)
Campaign Webinar Series:

Discussing Risk Respectfully

Attention physicians, nurses, midwives, community birth workers and other maternal care providers! You're invited to learn about the promotion of LDA to prevent preeclampsia and subsequent preterm birth for California's women and birthing people. During this webinar, our expert panel will present best practices for respectful, compassionate discussion about risk factors for the development of preeclampsia with patients, tips for essential patient education, and tools available in the Maternal Data Center (MDC) for tracking patient LDA usage. Learn how you can join in California's #LetsDoAspirin campaign, funded by the March of Dimes. **Webinar objectives can be found on the registration page.**

Webinar Speakers:

Amanda P. Williams, MD, MPH, FACOG
Clinical Innovation Advisor, CMQCC

Melinda Kent, MSN-Ed, RNC-OB, C-EFM, C-ONQS
Clinical Lead, CMQCC

Lindsay du Plessis, DrPH, MPH
Community Engagement Lead, CMQCC

Emily McCormick, MPH, RNC-MNN, C-ONQS, IBCLC
Senior Content Expert, Maternal Data Center, CMQCC

Continuing education contact hours are available for registered nurses through the California Board of Registered Nurses, Provider #3104, Mid-Coastal CA Perinatal Outreach Program for real-time attendance of 50 or more minutes plus completion of an evaluation.
