

Quality Improvement

Webinar Series

Tackling the midwife question: What is midwifery integration and why is it important for moms and birthing people in California?

CMQCC invites you to a live panelist discussion for California hospitals and other stakeholders in maternity care quality improvement.

Topics will include the meaning of midwifery integration at both the macro (state and federal) and micro (clinical and inter-professional) levels, the importance of midwifery integration as a necessary component of quality improvement in maternity care, and the opportunities and challenges for midwifery integration at your facility.

Panelists:

Eva Goodfriend-Reaño, CNM, WHNP, IBCLC,

Midwifery Clinical Chief – Alameda Health System, Oakland CA

Mimi Niles, PhD, MPH, CNM/LM

Assistant Professor, New York University

Midwife, Woodhull Medical Center – NYC Health + Hospitals

Moderator:

Holly Smith, CNM, MPH, FACNM

Lead Editor, Toolkit to Support Vaginal Birth and Reduce Primary Cesareans

Tuesday, May 9, 2023

12 - 1:30 p.m.
